WHO IS SHE?

While at the Michigan State Archives, a shoe box of unidentified pictures was given to one of our members. Among them was "MIRA" taken in Ludlow, Vt. The Saginaw (Michigan) Genealogical Society tries to assist in such a case, for pictures found in this area. I thought the Vermont Genealogical Society might be able to find out whose grand or great-grandmother she was.

On the back of the original it says—Photographed by A. BIXBY, M D Ludlow, VT negatives preserved. And handwritted, it says—Mira, Windsor County.

No one seems to know her surname. Can anyone identify her?? If so please contact our archivist, Mrs Florence Lawson, 26 Spruce Street, Brattleboro, Vt 05301 as she has the original.

BUDDING OUT: I find many interesting things in my mailbox when I come home each evening some of which is being shared with you here:

CATHOLIC CLERGY IN VT—If you have a Catholic priest in your Vermont family, you may wish to know of the biography which is being compiled. Rev Joseph N Couture, priest historian has been gathering data for years on all priests who have been born or served in VT throughout its history. Father Couture wrote "HISTORY OF ST JOSEPH's CHURCH in 1960. He was also one of the founders with Leon Dean of the Chittenden County Historical Society and one of its vice presidents.

Father Couture is a native of Burlington and son of St Joseph's parish. This was the first national parish in New England established in 1850.

An excerpt from the CATHOLIC CLERGY OF VERMONT appeared in the Sept 12, 1973 issue of the VT CATHOLIC TRIBUNE featuring the centennial of the ordination of the Rev John S Michaud, 1st native Vermonter ordained for the diocese of Burlington and the 2nd bishop of the diocese. Rev Joseph N Couture may be addressed in care of the Fathers of ST Edmund Route #1 Box 652 Coden Alabama 36523.

Mrs Ruby Parke Anderson Parke Library & Museum The Mill House No. Stonington Conn 06359 is compiling 6 vols of "The Parke Scrapbooks" of which 3 are published & the 4th is nearly ready. Her work starts with Robert Parke 1630 to Mass. and includes all Brown descendants and intermarried families. All given material is filed in the Parke Library Museum & all loaned material is copied and returned to owner. She would appreciate any PARKE names and addresses.

Mrs Samuel G Williams PO Box 376 Williamsport Maryland 21795 has a large personal library on all the northern NY state counties except the western ones (especially Hamilton & Warren) and 7 histories of South west Michigan. While living in Mich. she indexed & mimeographed the 1845 census of ST Joseph County. She would be glad to share these in a limited way with other members willing to pay the postage & share info with her. She also has info on UEL members of Ontario Canada & has done research in Ottawa, Toronto & Kingston on that subject. (EDITOR QUERY: What is UEL?)

Mrs Williams is also involved in the process of starting a Genealogical Society in Hagerstown Maryland for the first time.

Another member asks: Could you comment in "B&T" on how a person born out of wedlock with no birth record and not knowing his or her parentage handles a family tree? If the mother is known? If taken the name of a stepfather with no right to it by adoption or otherwise?

Any answers to these questions will be printed in the next issue.

The Central FLA Gen & Hist Soc will sponsor a spring workshop in Orlando Florida on April 20. Any of our Fla members who are interested may write to Box 177, Orlando Fla 32802 for more details or may contact Minnie P Witham 5521 Jessamine Lane Orlando Fla 32809.

FALLING LEAVES:

The Editor and the Genealogical Society of Vermont assume no responsibility for errors appearing in "Branches and Twigs". We print EXACTLY what our members send to us. If there is an error in spelling or in dates on the submitted copy it will appear that way in print. We may occasionally question what seems like an obvious mistake by using the mark (?). It is our desire to print only reliable genealogical material. If any member notes any mistakes in our newsletter, please inform the editor so that the correct information may be put in the next issue.

We are now exchanging quarterly with many other genealogical and historical societies across the country. Members may borrow these bulletins for a period of two weeks. The only charge to you is the cost of postage both ways. When you borrow bulletins I pay the postage. Please return that amount in either coins or stamps when you return the bulletin.

All monies for membership dues, for the Permanent Fund, for back issues of "Branches & Twigs" should be sent directly to our treasurer, Mr Leo Fleury, 164 Saratoga Ave, Burlington VT 05401. This will result in faster service for you.

Our treasurer should also be informed of any change of address. If you move let Leo know. The post office will not forward copies of BRanches & Twigs which is third class mail.

Back issues of "Branches & Twigs" are still available from the treasurer, Leo Fleury. Vol 1 nos 1, 2, 3, 64 also vol 2 nos 1 & 2 cost 50c each. Vol 1 index cost $1.00 each Vol 2 nos 3 & 4 also Vol 3 no 1 cost 1.00 each.

If you have a query you'd like printed in the TANGLED ROOTS section of "B&T" please send it to our archivist, Mrs Florence Lawson, 26 Spruce St, Brattleboro VT 05301. Any queries sent to the editor will not be printed.

The editor needs material for the next issue of "B&T". Bible records, church records, school lists, court records, wills, family records--- all are welcome in our pages. You send, we print. Any items to be printed in "Branches & Twigs" should be sent to Mrs Carol Church, Westminster West, RFD #3, Putney VT 05346.

APPLE ORCHARD:  

ANCESTRY SERVICE

Any member wishing to be listed in the ancestry service should please follow these directions.

1. On 1 sheet of paper make an alphabetical list of the surnames on your tree. (parent, grandparent, etc. DO NOT list their children) Use maiden name for all females.

   example:  
   
   CHURCH
   CUMMINGS
   LE CAIN
   MIFFLIN
   RICHARDSON
   VAN BLARCOM

2. On a 2nd sheet of paper begin with the first surname on the list, starting with the relative closest to you and working backwards in time. Chart name, (spouses name in parentheses), birth place, birth date, marriage place, marriage date, death place, death date, and your membership number.

   example:
   CHURCH:
   Lloyd Ellsworth (Carol Le Cain) N.H. 1930 VT 1955 51
   George Joel (Viola Moody) N.Y. 1896 NH 1921 NH 1959 51
   James Turner (Cora Pike) Can c1860 NY c1892 Mass 1925 51

3. Repeat the process for the second surname on your list, the third, the fourth, etc.

   example: CUMMINGS:
   Mary Amelia (Joseph J Le Cain) Me 1853 1875 Mass 1931 51
   Andrew (Mary A Le Cain) Me 1812

4. All lines with the exception of members married surnames, will begin with a female name. example: see CHURCH above.

5. Members may find it easier to work with just a portion of their list at a time. For example: all the A, B, & C surnames, sending in additional charts later. PLEASE TYPE all charts if possible.

6. Your names, address, & membership number should be on the bottom of each sheet.

   The surname list will not be printed in "B&T" but will be filed with the ancestry service committee, enabling them to know in advance how many members are working on a given surname, or how many charts will be soon arriving. The chart with the surname worked backwards through time is what will be published, along with other charts of the same surname. Additional charts may be sent in at any time.

   Even though the ancestry service committee may be enlarged and may have several out-of-state members, a central file of ALL charts and lists recieved will be kept by the editor.

   Member PLEASE if possible send 2 copies of your ancestor list and charts. Mrs Woodman & Mrs Church both need copies to keep their records straight. Please send them to:
   Mrs Mary P Woodman 402 Comet Drive Hendersonville North Carolina 28739 or to
   Mrs Carol Church Westminster West RFD #3 Putney Vermont 05346

   If only 1 chart is submitted please send it to Mrs Woodman.

WINECHELL GENEALOGY

Mrs Florence Ellsworth Schiele, 11360 Forest Ave Chicago, Ill 60628 (GSv #722) has donated a copy of her new WINECHELL GENEALOGY which has just been published, to our society library. This book has been printed in a limited edition of 100 copies. A copy has also been presented to the Chicago Genealogical Society; Winnetka Library; LaPorte County museum; and Godspeed's Book Store in Boston.

This book is not intended to be a complete genealogy of the WINCHELL'S but attempts to trace the descendants of Stephen WINCHELL and his wife, Asenath (NORRIS) and their eight children who were pioneers in settling in LaPorte County, Indiana. Stephen is descended from Robert WINCHELL who came from England to Massachusetts but eventually settled in Windsor, Connecticut. Robert's descendants settled later in Farmington, Connecticut; Cayuga County and Broome County New York, as well as LaPorte County Indiana.

We thank Mrs Schiele for this gift which will be a welcome addition to our growing genealogical library collection.

--Book reviewed by Leo Fleury 164 Saratoga Ave Burlington VT 05401.

NOTICE: If you have a book you'd like to have reviewed in this column, send a copy to any officer of the Genealogical Society of Vermont. No book will be reviewed from advertising flyers. All such books will be placed in the society archives. We will be grateful for these contributions to our growing library section. No charge will be made for any book review.

SPOFFORD FAMILY BIBLE

Children: Oliver Moore Spofford b Sept 14 1835 Berlin Mass, m Oct 28 1856 Marlborough Mass. Sarah M Morse (wife) b Sep 1838 Wardsboro VT.

This family record is in a Bible which belonged to Sarah Morse Spofford. It was a Christmas present to her from her son Emerson S Spofford. It is now in my possession. The record is on a separate paper not attached in the Bible. In the records the name is spelled SPOFFORD with an I'Ort but in the Windham County Gazetteer it is spelled SPAFFORD with an "A". My mother-in-law says that it was pronounced Spafford.

Note - Sarah Morse Spofford (my grandmother's aunt) was the daughter of Walter Morse born Oct 24 1794. He came from Woodstock CONN about 1825 to Wardsboro VT. Walter Morse was first cousin to Samuel Finley Breese Morse, the inventor of the telegraph and Morse code.

This Bible is in the possession of Mrs Guy Austin, Saxtons River VT. William Parker was her great great grandfather. A few of these names and dates were not in the Bible but were told to me by Mrs Austin or found in old newspaper clippings which she has in scrapbooks. If any one knows anything of the ancestry of Nathan B Howe who married Martha Ann Parker I would be interested as I have been searching for it.

If any members are interested in the PARKER genealogy I have the line back to Thomas Parker who came here from England in 1635 with names of most of their children.

PLEASE NOTE page 43
During the winter of 1854 and 1855 in a physician's office in Rutland Vermont, an association of 200 members was formed which resulted in the founding of Rutland, Illinois. The president of the association of 200 members was Dr H D Allen, later one of Rutland's oldest and most respected citizens. And it was in his office that the association was organized and later on this same office witnessed the making of the plat which was such an important factor in the origin and founding of the village. The object of this association was to buy government land in the west, preferably in Iowa, and there lay out a town and then move to this Eldorado. This assoc. had 12 trustees of whom were the officers, president, secretary & treasurer. When their plans had been completed Dr Allen and W B Burns were chosen to come west to make an investigation and buy land, acting under the direction of the association.

They came to Chicago by rail, then to Galena & Dubuque, and after traveling over most of Iowa, Minnesota, Wisconsin and part of Illinois they returned to Vermont with their news; it fell like a damper on the assoc. and several of the 200 men, being discouraged and disheartened, withdrew from the assoc. But the rest of these New England speculators were not to be outdone, so it was not long before Dr Allen & Dr Burns made another trip west and this time they succeeded in buying eighty acres of land where Rutland now is located, part of it from the Illinois Central Railroad and part from the government. They then returned to their homes and later a plat was made for the new town, finally in November 1855 D F Hitt, the county surveyor of LaSalle County, laid out the little village.

W B Burns, Dr H D Allen, John Emery, and Daniel Wadleigh, Zimri Ames, James Kirkaldy, Amos Way, and Willard Proctor, with their families, then came from the New England States to settle in this new western village. Dr Allen built a large frame house east of the railroad, where he and Mrs Allen and his son, M D Allen, and family resided. (Mr and Mrs Horace Allen now reside there) WB Burns built a large hotel on the site where Pedros Tavern now stands; it will be remembered as the Whipple Hotel. This was the first hotel that was ever built in Rutland, and it was burned to the ground in the fire which swept away so many business houses in February 1896. J H Whipple was its proprietor at the time of its destruction. Mr Burns also erected 2 houses near the hotel; one of them being where Banker M C Roe lived, and now Mrs Charles Jacobs resides there; and the other just east of it where George Dolen and family resided; and it is now the house where the telephone company office is located. Not much can be gathered concerning Mr Burns' life. He and his family left Rutland in 1870 for the state of California, and has long since gone to his reward.

John Wadleigh built his house in east Rutland on the site where Mrs Mary Marshall house now stands. Willard Proctor moved to Proctor Illinois.

The town seemed to grow very slowly and in 1861, there were not more than a dozen houses that dotted the prairie and showed where the village of Rutland nestled. There was no depot on the railroad, and only a small section house a little south of what is now the present village was provided for the section men on the railroad.

In 1865 a subscription amounting to over $1,600 was raised by the businessmen of Rutland and the mill at Panola Illinois was bought. It was then torn down and rebuilt at Rutland near the Illinois Central Railroad on the corner a block west of Ernest Crumrine's present dwelling house. It was soon afterward purchased by W B Burns, and he and his sons did a large business in grinding and shipping corn meal, and shipped large quantities to dealers in the West Indies and Nova Scotia. It was purchased in 1875 by Emerson Hakes, who thoroughly refitted it and carried on a good business until August 1883 when it was utterly destroyed by fire. The total loss was estimated at $10,000.

The officers of the township during the year 1857 were undoubtedly the first officers of the township: W B Burns was elected Supervisor; John Wadleigh, Clerk; Geo W Gray, Assessor; and S M Scott, Collector.

Rutland was incorporated as a village in 1857, and took its name from the city of its birth, Rutland Vermont. It was called New Rutland until about the year 1873 when the village authorities changed the name to Rutland.

In 1865 a stock company consisting of 25 citizens of Rutland was formed, (each share amounted to $100), for the purpose of starting a coal mine. In 1866 at a depth of 275 feet, a three foot vein of coal was found and what is now the old coal shaft was sunk. Among the stockholders were John Brevoort, Dr Allen, C P Thompson, W B Burns, Charles Weeks J Coffman, and J J Roe. For some reason, however, the work was not continued, and the shaft was abandoned. Later it was worked by F W Burns and Co. One of the largest stockholders, John Brevoort, then took it up and carried on a good business until 1878 when he sold it to the William Maher. Afterwards it was bought by Milton Roe and Emerson Hakes and in 1885, Mr Roe sold out to Mr Hakes, who then sunk the new coal shaft and used the old one for the air shaft. The new shaft was 500 feet deep. Mr Hakes carried on the mining interest and employed about 250 or 300 men in the mine.

The first store building was erected by John Wadleigh in 1859, on the corner where George Austin's brick store was (now Gapen's Hardware). The Wadleigh Building was des-
trovery by fire in 1899.

FOUNDERS

As related in the early history, Dr Horace D Allen of Rutland Vermont, was one of the founders of the village of New Rutland and was probably the originator of the plan for a colony in the west.

He with his wife, Susan Smith, and three children by his first marriage came to reside here in 1860, building the house on the farm which his grandson and namesake, Horace D Allen and wife now own and where they make their home.

His two daughters, Mrs Flora Fraser, and Mrs Carrie Proctor, lived elsewhere after marriage. The latter's husband was Edward, son of William Proctor.

His only son, Merritt, married Louise Webber, who died early in life, leaving two children, Blance and an infant son, Horace. Horace was cared for by his grandparents and continued to live with them.

Blance married Ralph Baker, and their three children live near here; Bert Wenona, Mrs Louise Falk Minonk; and Mrs Marjorie Weyeneth, Peoria.

Merritt Allen's second wife was Lynda Doan of Marietta Ohio. Later they located in California, returning to Rutland where Mr. Allen died. Mrs Allen is living at Pomona, California.

Dr Allen practiced medicine as long as his health permitted, and was a leader in all community affairs.

His wife, Susan, survived him, living to be over 95 years of age, retaining keen mental faculties. She was a woman of culture, with a fine spirit of friendliness and she was a favorite with neighbors and friends, being at even an advanced age, an interesting companion.

At the last October Genealogical Society meeting some member (Name unknown) asked if there was a HALL family Bible in a museum in VT. A letter received by the editor supplies that information,

March 13, 1974

Dear Editor,

There is a question in my winter issue of "Branches and Twigs", page # 2, "Is there a HALL family Bible in some museum in VT?"

I don't live in a museum in VT, but I have a HALL family Bible in my living room. I inherited it from my grandmother who died in Bristol, Vermont.

It belonged to Richard HALL 1762-1843, and I'll be happy to share the information in it.

Very truly yours

by L.H. Brown

How swiftly, time is fleeting by;
How fast, we're growing old;
Soon we, shall in the church-yard lie,
So silent, pale, and cold, --
But while on earth, we'll all be gay,
Nor brood, or sorrows past,
For there'll be no more night, than day,
While life, and being, last.

We come today, from far and near,
As brothers, to unite
Round this old homestead, ever dear,
And precious, in our sight.
In yon old Cot' our Grandfathers dwell,
Within those walls they died,
Around that hearth in prayer they knelt,
Their little ones beside.

We think of those with fond regret,
In death, so cold and still,
That once like us, together met,
On this the "Old Beech Hill",
And 'ere these fields, so broad and far,
In childhood, oft' they played,
Till freed from every earthly care,
Thro' Heavenly Gates, they stray'd.

I have the original poem in my keeping - it was kindly given to me by Mrs Dorothy (Gates) Hawkins. I've been working on the GATES genealogy for several years now and have never seen anything quite like this poem. Unfortunately the Simon and Susanna Gates it mentions are not of my line, so I can provide little in the way of further information. Perhaps some of our readers would know more. Mrs Hawkins is from Plainfield VT and apparently descended from Simon and Susanna.

CEMETERY CORRECTIONS

In the Winter issue in the cemetery section on Moriah NY there are errors that should be corrected. On page 13 - MILL BROOK CEMETERY under BLODGETT:

BLODGETT. Martha, wife of Ebenezer d Aug 13 1865 age 66 is correct. She was Martha Chapman born in Grafton VT July 18 1799. She was my great grandmother on my father's side!! Now the error come in. Ebenezer and Martha were married Jan 30 1823 - so they could not correctly have children born in 1831!!
The correct information: Eliza Jane (not Jones) d May 4 1829 age 1 year; Bradford d April 30 1843 age 8 years; Cutler (not Sutter) d May 5 1843 age 2 years; Hubbard d May 3 1843 age 5 years. The errors were obviously made because of the condition of the stones.
The source of this information was "Descendants of Thomas Bloydett of Cambridge" by Bradley DeForest Thompson and Franklin C Thompson - obtained from the New England Historical and Genealogical Society when I was doing the research on my grandmother's Harriet Bloydett family!! It is the best family genealogy I have ever read!!

On the same page in the same cemetery - the line above AUSTIN:

Lois H WOODRUFF wife of Wm J Austin d Dec 5 1891 age 78! She was born in 1831- the daughter of Phineas and Mehitable (Lincoln) Woodruff. If the death date is correct (and I have no information here) she couldn't have been seventy eight at that time!! She would have been sixty years old. This makes her husband's dates suspect!! I was told by an ancient second cousin of mine, the Hon. Herbert Palmer of Bridgeport VT, that the family were "very much" against the marriage and she was to all intents and purposes "cut off"!! I myself did the research on her when Susan Woodruff Abbott was compiling "The WOODRUFF Genealogy". I found it impossible to get provable information. She had a son, Ferrand (?) and a daughter, Lois!! No dates.

TOMBSTONE RECORDS OF ABANDONED CEMETERY IN PLAINFIELD, WASHINGTON COUNTY, VT. This cemetery is about 2 miles east from the village of Plainfield on the road to Perkinsville. The plot measures about 60' x 75' next to the road near the home of Arthur Martin. The cemetery is unkempt, many slabs are broken or leaning badly. The last person to be buried here is Newcomb Kinny who died about 1900. This cemetery is sometimes called the Newcomb Kinny or the Sanford Kinny (his father) cemetery. Newcomb's grave has no stone. Other Plainfield pioneers are buried here. These records were copied Sept. 1945 by Cora B Hawes, Regent of Rebecca Hastings Chapter, DAR, Barre VT.

TYPES OF EARLY GRAVESTONES
It is quite probable that most of the designs for gravestones came from England. Similar types may be viewed in English churchyards.

The oldest are of slate and have a blue of green tint. These date previous to 1800.

After the eighteenth century there was a change for the worse. The lettering became poor in shape and in character, and the stones lost much of their natural charm and proportion.

The flat stone is earlier that the headstone, and both ran through a variety of types, the simple to the complex.

The designs on this page will show a development of gravestones from 1676 to 1777.

Early American colonists favored the type common to English churchyards during the eighteenth century. While the Scotch headstones show more variation.
